This Christmas, we're raising a glass to where it all began...

While The Duck & Dagger is our newest adventure, our heart and history will always be closely tied to The Coach House, which is celebrating its 20th Christmas this year.

Just a 10-minute stroll along the canal, in the heart of Chester and next door to the Town Hall, The Coach House has been welcoming guests for two decades. Step inside and you'll find a warm, traditional pub atmosphere, hearty food made with care and a well-stocked bar filled with all your favourites.

If you'd like to linger a little longer, The Coach House also has eight cosy, character-filled rooms upstairs - perfect for a festive night away, an over-night stay after a celebration or a welcoming base for visiting friends and family.

So why not make it a double celebration this Christmas? Enjoy the character and charm of The Duck & Dagger, then take a stroll to The Coach House and help us celebrate 20 wonderful Christmases at the place where it all began.

Two homes of hospitality, one shared spirit of Christmas.
