This Christmas, we're raising a glass to where it all began...

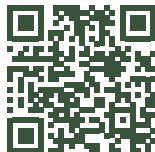

While The Duck & Dagger is our newest adventure, our heart and history will always belong to The Coach House. Just a 10-minute stroll along the canal, right in the heart of the city centre and next door to the Town Hall, The Coach House is our original home of hospitality.

Step inside and you'll find a warm and traditional pub atmosphere, with hearty food made with care, and a bar stocked with all your favourites.

If you'd like to stay a little longer, The Coach House also offers 8 cosy, character-filled rooms upstairs. Perfect for a festive night away, somewhere to stay after a celebration, or a welcoming base for visiting friends and family.

So this season, why not make it a double celebration? Enjoy all the charm of The Duck & Dagger, then take a walk to The Coach House and discover (or rediscover) the place where it all began.

Two homes of hospitality, one spirit of Christmas.

The Perfect Present!
